AUFBRUCH!

Eine bewegte Zeit liegt hinter uns – hier bei ANDREAS in mehrfacher Hinsicht: Mit dem Inhaberwechsel ist vieles **neu und möglich** geworden: Der Firmensitz in Giebelstadt, neue **Showrooms in D** (Giebelstadt) **und IT** (Milano); ein **neuer Webshop**, den Sie mit Ihrem ganz persönlichen Profil nutzen können; neue Trendsortimente, z.B. **Vintage** (s.S. 218-237); unsere Rückkehr auf die **Messen**: Hamburg, München, Frankfurt, Paris; uvm.

Geblichen sind die Menschen, die ANDREAS ausmachen und mehr denn je wieder für unsere Kunden da sind (u.a. kleinere VE's, kürzere Lieferzeiten) und, was uns Mut macht: **Sie – unsere Kunden!** Dafür bedanken wir uns herzlich mit dem neuen Katalog! Viel Spaß beim Entdecken und lassen Sie uns gemeinsam aufbrechen - in ein Jahr voller Möglichkeiten!

NOUVEAU DÉPART!

Ces dernières années ont été plutôt agitées et chez ANDREAS aussi, nous avons connu une période mouvementée. Avec le changement de propriétaire, de **nouvelles choses sont devenues possibles** : le siège de l'entreprise à Giebelstadt, de **nouveaux showrooms en Allemagne** (Giebelstadt) **et en Italie** (Milan); une nouvelle boutique en ligne que vous pouvez utiliser avec votre profil personnel; de nouvelles gammes tendances comme la série **Vintage** (voir p. 218-237); et bien sûr notre grand retour sur les **salons** : Hambourg, Munich, Francfort, Paris; et bien d'autres.

Mais tout n'a pas changé, l'équipe qui porte ANDREAS est toujours là, plus que jamais disponible pour vous, chers clients, et pour vous proposer des unités de vente plus petites ainsi que des délais de livraison toujours plus courts. Avec ce nouveau catalogue, nous souhaitons vous remercier pour votre fidélité et vos encouragements. Nous vous souhaitons beaucoup de plaisir à découvrir ses pages et sommes heureux de démarrer avec vous une année pleine de possibilités !

SET OFF!

An eventful time lies behind us - here at ANDREAS in several respects: With the change of ownership, many things have become **new and possible**: The company headquarters in Giebelstadt, **new showrooms in D** (Giebelstadt) **and IT** (Milano); a **new webshop** that you can use with your very own personal profile; new trend ranges, e.g. **Vintage** (see p. 218-237); our return to the **trade fairs**: Hamburg, Munich, Frankfurt, Paris; and much more.

What has remained are the people who make up ANDREAS and who are more than ever there for our customers (e.g. smaller VE's, shorter delivery times) and, what encourages us: **you - our customers!** We would like to thank you for this with our new catalogue! Have fun discovering it and let's set off together - into a year full of possibilities!

RIPARTIAMO INSIEME!

Ci lasciamo alle spalle un periodo molto movimentato sotto diversi punti di vista. Il nuovo cambio di gestione ha **reso possibili tantissime novità**: dalla nuova sede dell'azienda a Giebelstadt, Germania, i nuovi **showroom in Germania** (Giebelstadt) **e in Italia** (Milano), fino ad un **nuovo webshop** da utilizzare con il proprio profilo personale. Inoltre, abbiamo arricchito il nostro assortimento con articoli di grande tendenza, come ad esempio articoli **vintage** (vedi pag. 218-237). Per di più, siamo lieti di annunciare il nostro ritorno alle **fiere** di Amburgo, Monaco di Baviera, Francoforte, Parigi e molte altre ancora.

Il pilastro fondamentale della nostra azienda ANDREAS sono le persone che la compongono che, come di consueto, sono a disposizione di tutti voi clienti per assicurarvi un servizio competente e di qualità. Cerchiamo sempre di migliorarci per soddisfare le vostre esigenze ed è per questo che abbiamo introdotto unità di vendita più piccole e accorciato i tempi di consegna. **Vi ringraziamo del supporto e della fiducia con il nostro nuovo catalogo ricco di novità e ispirazioni!** Vi auguriamo una buona lettura e siamo lieti di iniziare assieme a voi un nuovo anno pieno di nuove opportunità!

¡UN Nuevo comienzo!

Atrás queda una época llena de acontecimientos, aquí en ANDREAS en varios aspectos: el cambio de propietario ha traído consigo muchas **novedades y posibilidades**: la nueva sede de la empresa en Giebelstadt, **nuevos showrooms en Alemania** (Giebelstadt) **e Italia** (Milán); una **nueva tienda online** que puede utilizar con su propio perfil personal; nuevos surtidos de tendencias, por ejemplo, **Vintage** (véase la pág. 218-237); nuestro regreso a las **ferias**: Hamburgo, Múnich, Francfort, París; y mucho, mucho más.

Lo que no ha cambiado son las personas que componen ANDREAS, que están siempre buscando la forma de mejorar el servicio (por ejemplo, ofreciéndole unidades de envío más pequeñas, y plazos de entrega más cortos), porque nuestra razón de ser son **¡ustedes, nuestros clientes!** Como muestra de agradecimiento, les presentamos un nuevo catálogo. ¡Deseamos que disfrute mucho descubriendo su contenido y esperamos poder acompañarle durante este nuevo año lleno de posibilidades!
